Vaccination Requirements for Visitors & Vendors

Effective 8/11/2021

Visitors (non-patient) including vendors to our imaging centers and business office must present proof of being fully vaccinated OR show proof of negative results of a COVID-19 test taken within 72 hours prior to entering. Below is accepted proof of vaccination and test requirements per the order.

If you are fully vaccinated, prior to entering our facility you must present:

1. COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services Centers for Disease Control & Prevention or WHO Yellow Card) which includes name of person vaccinated, type of vaccine provided, and date last dose administered); OR
2. a photo of a Vaccination Record Card as a separate document; OR
3. a photo of the your Vaccination Record Card stored on a phone or electronic device, OR
4. documentation of COVID-19 vaccination from a health care provider; OR
5. digital record that includes a QR code that when scanned by a SMART Health Card reader displays to the reader client name, date of birth, vaccine dates and vaccine type.

If you are unvaccinated or not fully vaccinated, prior to entering our facility you are required to present:

1. Unvaccinated or partially vaccinated visitors are eligible for indoor visits only if they can show documentation of a negative SARS-CoV-2 test where the specimen collection occurred within 72 hours before each visit and for which the test results are available at the time of entry to the facility.
2. Visitors may use either PCR testing or antigen testing. Any PCR or antigen test used must either have Emergency Use Authorization by the U.S. Food and Drug Administration or be operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

Mask, personal protective equipment, and physical distancing requirements

1. All visitors, regardless of vaccination status or test result, must:
 - a. Wear a well-fitting face mask (a surgical mask or double masking is recommended) upon entry and at all times within the facility;
 - b. Wear any other personal protective equipment (PPE) that facility personnel deem appropriate to the situation; and
2. Physically distance from health care personnel and other employees/visitors.

Visitors will not be permitted inside our facility without proper documentation.
